The Selah Chamberlain Sunk and Five Lives Lost-Capsized in the Gale.

SHIBOYGAN, Wis., October 14.—The steam barge Selah Chamberlain, of Cleveland, collided with an unknown steamer last night, between 8 and 9 o'clock, when about three miles northeast of this place, and sank in forty-two feet of water. Five men are missing, and are supposed to have gone down with the Chamberlain. Nothing is known of the fate of the un-known stramer. The Chamberlaim left Milwauker yesterdry afternoon and was bound for Escapaba for iron. She had the schooner Fayette Brown

Capt. Greely, of the lost steam barge, refu es to be interviewed concerning the second engineer, a fireman and three deck hands. The Chamberlain was struck on the port how, and was cut down to below the water line. She immediately began to sink, and Capt. Greely ordered the boats lowered. The five men who were lost jumped into one of the boats, when the davits broke, and they were dumpted into the lake and drowned. The Cham-berlain lies about three miles east of Shecoygan Point.

The Steamer Which Collided With the Chamberlain.

MILWAUKEE, WIS, October 14.—The captain of the John Pridgeon, Jr., which arrived here this morning, gives but little information concern-ing the collision. He says the boats came together during a dense fog and heavy gale, about 9 o'clock, and immediately separated. He did not know the name of the steamer she collided with, nor did he know anything concerning her fale until he arrived here. He cru'sed about in the vicinity of the scene of the collider and the collider lision until 12 o'cloca last night, but could not discover anything, so he headed for this port. The "quick work" on b to hows of the Pridgeon is badly crushed in, but her bull i uninjured. Members of the Pridgeon' crew saw the Chamberlain's consort, the Fayette Brown, drift off in the darkness after the collision. Her jib boom raised the sides of the Pridgeon's cabin as she drifted by.

Foundered Off Port Colborne, PORT COLBORNE, ONT., October 14 -An unknown schooner, supposed to be a three masted versel, foundere when about three miles off this port this afternoon. She had just opened up the ranges and was straightened away for the harbor when she disappeared. The tug Booth started in mediately to try and pick up the sailors. A heavy ga e was blowing from the southwest at the time.

EXTENSIVE PRAIRIE FIRES In Indian Territory-Cattle and Forage Barned.

SHERMAN, TEX., October 14.—Late advices from the Indian Territory state the most extensive and destructive fites ever known in that Territory are sweeping over the prairies. Millions of acres of rich graing lands, which a few days ago were covered with a luxuriant growth of grass, are now barren, charred wasies. The area burned over extends from Violta on the north to Musk see on the south. the north to Muskoges on the south, and on either side of the Missouri Kansas and Texas railroad as far a the eye can see. Large numbers of cat le have been burned to death and immense quantities of bay, baled and loose, which was to have been used for fodder during the winter, has been de-troyed, and catt'e men will be obliged to drive their herds elsewhere to save them from starvation. An investigation into the origin of the fire is to be made by the Vinita Indian Agent.

PASSENGER RATE WAR AVERTED On the Southern Roads-A Compromise Beached.

CHICAGO, ILL, October 14.-T. J. Potter, of the Burlington railroad Cable, of the Rock Island road; J. C. Mullen, of the Alton railroad, and A. A. Ta'mage, of the Wabash railroad, met here today and succeeded in reaching a compromise, which will avert a war on Fouthwestern passen ger business. This was done by ger business. This was done by agreeing to form a gross money pool for three years on all business between Chicago, St. Louis, Kansas City and other competitive points. Any road dissatisfied with the pool, by filing notice between Oxtober 1 and 10, 1887, can have the privilege of with-drawing on January 1, 1888. The one thing which has kept the roads from agreeing heretofore, has been the question of how the business was to be divided, and this was arranged as follows: The Wabash is to be allowed to take as a basis its business for any one of the years from 1883 to 1885, or the twelve months from July 1, 1885, [to June 30, 1886. The other roads take all of the business for the years 1884, 1885 and 1886, and from these an average is struck and the per centages awarded on the result. The Burlington, which had interposed an objection, agreed to report its local business west of the river. accomplished, the meeting adjourned until tomorrow, when a repore will be submitted to a general meeting which will be called to ratify the compro-

BIRMINGHAM, ALA. Theories in Regard to the Paige

ISPECIAL TO THE APPEAL-! BIRMINGHAM, ALA., October 14-The more the Paige suicide is investi-gated the less reason there is to question the most scandalous theory of Miss Apel's relations with Paige. There is even suspicion that Apsi was bleeding Paige, Among Parge's acquaintances there is some talk to the effect that he overdosed himself accidentally, as he was addicted to drink, and sometimes, it seems, for relief from its bad effects, would take optates in quantities which would have frightened prudent men.

Day and Night

During an acute attack of Bronchitis, s ceaseless tickling in the throat, and ar exhausting, dry, backing cough, afflict the sufferer. Sleep is banished, and great prostration follows. This disease is also attended with Hourseness, and sometimes Loss of Voice. It is liable to become chronic, involve the lungs, and terminate fatally. Ayer's Cherry Pectoral affords speedy relief and cure in cases of Bronchitis. It controls the disposition to cough, and induces refreshing sleep.

I have been a practicing physician for twenty-four years, and, for the past twelve, have suffered from annual attacks of Bronchitis. After exhausting all the usual remedies

Without Relief,

I tried Ayer's Cherry Pectoral. It helped me immediately, and effected a speedy cure,—G. Stoveall, M. D., Carrollton, Miss. Ayer's Cherry Pectoral is decidedly the best remedy, within my knowledge, for chronic Bronchitis, and all lung diseases.

— M. A. Rust, M. D., South Paris, Me.

I was attacked, last winter, with a severe Cold, which, from exposure, grew worse and finally settled on my Lungs. By night sweats I was reduced almost to a skeleton. My Cough was incessant, and I frequently spit blood. My physician told me to give up business, or I would not live a month. After taking various remedies without relief, I was finally

Cured By Using

two bottles of Ayer's Cherry Pectoral. I am now in perfect health, and able to resume business, after having been pronounced incurable with Consumption.—S. P. Henderson, Sanlaburgh, Penn.

For years I was in a decline, I had weak lungs, and suffered from Bronchitis and Catarrh. Ayer's Cherry Pectoral restored me to health, and I have been for a long time comparatively vigorous. In long time comparatively vigorous. In case of a sudden cold I always resort to the Pectoral, and find speedy relief.—Edward E. Curtis, Rutland, Vt.

Two years ago I suffered from a severe
Bronchiis. The physician attending me
became fearful that the disease would terminate in Pneumenia. After trying various medicines, without benefit, he finally
prescribed Ayer's Cherry Pectoral, which
relieved me at once. I continued to take
this medicine a short time, and was curred.
